

# Introducing SADO's Reentry Services Locator

SADO's Project Reentry is excited to announce the release of a mobile and web-based reentry application. The app puts reentry and community resources at your fingertips and is accessible from any device with an internet connection, including a smart phone.

**Visit [reentry.sado.org](http://reentry.sado.org)**

Thank you to Programmer Harry Seong, who donated his time to build this app for the community.

# How to Use the Reentry Services Locator

1. Visit [reentry.sado.org](http://reentry.sado.org) from your phone or computer
2. Search by location with "Near me" or by type of reentry need with "By Categories"

## Easily add the locator to your phone's home screen as an App

1. Visit [reentry.sado.org](http://reentry.sado.org) on your phone
2. Click the "share" icon  on the bottom of the screen
3. Select "Add to Home Screen"
