\*\*Authorized eyeglass vendor only. Prescription glasses are non-taxable.

\*\*\*\*Vendors must charge sales tax on repair items.

See PD 05.03.102, Hobby craft Program, for Pre-Approved listing of authorized vendors for hobby craft items. NOTE: Shipwreck Beads has not agreed to collect sales tax; however, an exemption has been granted until alternate vendor can be identified.

See PD 05.03.118, Prisoner Mail, for Pre-Approved listing of authorized vendors for publications. Also, as noted in policy, prisoners are able to order publications directly from the publisher. This list does not apply to those purchases.

See Approved Religious Vendors list for purchase of religious items. NOTE: Deseret Books, Aleph Institute, Final Call, and Moorish American Publishing & Supply have not agreed to collect sales tax, however, each has been granted an exemption until an alternate vendor can be identified.

**NOTE: The PRODUCT column only identifies examples of products that these vendors carry, as it is not feasible to list every item. It does not mean that you are restricted to purchasing only the items listed. If there are other approved items carried by these vendors that are not listed in this column, prisoners can order them**
